Comments submitted by the OHMVR Division to individual grant applicants should in no way be construed as a guarantee of successful results for the applicant within the competitive grants process or a commitment of funding. Additionally, the lack of comments by the OHV Division to any specific applicant does not ensure successful results for the applicant within the competitive grant process or a commitment of funding.

All final applications will be reviewed by the OHMVR Division. The OHMVR Division may, at its sole discretion, decrease the requested amount and eliminate activities pursuant with regulation Section 4970.07.2 (f)(1-4) and for law enforcement projects, regulation Section 4970.15.3(b)(1-5).

Please note: If multiple proposed projects are requesting funding for the same deliverable, and multiple projects are successful, only one project will receive funding for the deliverable.

Needs Assessment

- As written, this project does not appear to be OHV related. Applicant may want to verify and provide additional details.

Project Certification

- #1 – As stated by the applicant, enforcement activities associated with illegal dumping of waste, appliances, furniture and abandoned vehicles is not appropriate under a law enforcement project. Applicant may want to provide additional details.
- #2 – “Some of these areas are specific to OHV recreation and others are not, but much of the illegal activity is perpetrated by the use of OHV.” If the project is not related to OHV recreation, it is not eligible for funding through this program.

Project Cost Estimate

- Request of \$174,000 appears excessive for a project with so little relation to OHV recreation.
- #1 – Staff charges of 1.5 PYs appear excessive.
- #3 – Applicant may want to provide additional detail on ‘Safety Equipment’ costs.
- #5 – Applicant may want to provide justification for three Yamaha Rhinos requested.
